Harvest Operations Corp. is one of Canada's largest energy companies offering exposure to upstream oil and natural gas production and downstream refining and marketing operations. We are focused on identifying opportunities to create and deliver value with an active acquisition program and a technical approach taken to maximize our assets.

Harvest has an immediate opening for a full time **Field Operator** in the Grande Prairie area. Reporting to the Grande Prairie Foreman, the successful candidate will reside in the Grande Prairie area and work an 8 on / 6 off rotation.

**Responsibilities**:

- Ensure safe and efficient operation of all well and facility equipment
- Daily facility and well monitoring
- Daily input and balancing of data into PVR
- Optimize daily well production and monitor fluid levels
- Troubleshoot operational issues and assist in resolutions
- Perform routine maintenance and minor repairs of equipment
- Demonstrate awareness and commitment to safety and regulatory compliance

**Qualifications**:

- Grade 12 or equivalent
- Valid driver's license
- Post Secondary education with trade certification in instrumentation or mechanical applications would be an asset
- Minimum of 3 years of operating experience with dehydration equipment, compression, high pressure wells, plungers and artificial lift systems, and a good understanding of process would be an asset
- Self-motivated with a strong work ethic
- Positive team player
- Aware and conscientious of safety regulations
- Intermediate computer skills with a working knowledge of Microsoft Office. Knowledge of SCADA based control systems and PVR would be an asset
- Required to maintain all safety and regulatory courses
